A real credit to the current owners with the amount of work and love they have poured into this property, there is no other way to describe it other than incredible!

Being fully renovated inside and out without losing any character, this home offers a fully equipped kitchen with a large walk-in pantry, that opens to the dining area through to the light-filled lounge. The bathroom and ensuite have each been tastefully done, there are beautiful timber floors throughout, and gas heating plus evaporative cooling keeps this home comfortable all year around.

Externally this property has a double carport enclosed with a roller door and a great shed for the handyman. The fully-fenced backyard has manicured gardens and a decked entertainment area with direct access to the kitchen and dining area. If this wasn't enough, there is also a completely separate space perfect for trailer or caravan parking.
