

124 Barnes Boulevard Horsham VIC

5 2 2

On entering this beautiful family home, you are welcomed with an elegant tiled entry. To the right is a large formal living and dining room with wood heating and beautiful views to the Wimmera River. The classy kitchen in the heart of the home offers stone bench tops and stainless steel appliances, and opens to the meals and family room boasting timber flooring. There is a third living space off of the dining area that could be used as a games room for children and has sliding doors to keep it separate from the main living area. The spacious master bedroom makes the most of the location with views of the river, plus a walk through robe into a tiled ensuite featuring a bath, his & her basins, stone and timber vanity and a separate toilet. Also conveniently located to the front of the home is an office with plenty of built in shelving and bench space. There are another four generously sized bedrooms all with built in robes to the rear of the home, and a luxurious family bathroom. Outside is an expansive alfresco area with outdoor sink and provisions for a built in BBQ. The low maintenance and private yard offers synthetic grassed area as well as a great cubby house / fort for the children to play on. Features
