

25 David Street Horsham VIC

13 1 2

This property has previously been used as offices but could be reverted back into a large family home. It currently consists of 13 offices with split systems to 10, four storerooms, a large central bathroom, ducted gas heating and evaporative cooling. The kitchen opens into a meals/sitting area, and the large lounge room has stunning pressed metal ceilings. There are also two waiting areas. Outside is a rear decked pergola, double carport with storage shed and a small garden shed. This property has endless potential, so let your mind run free!

Building Size : 457 sqm
